WELCOME BACK
Welcome back to term 4 as we head into the warmer months and your children complete another year of school.

HATS
With the warmer months it is important that your children wear a hat each day. Even on a cloudy day the sun delivers harmful rays. School policy supported by the anti cancer council make it compulsory that all students wear a hat while in the sun.

SCHOOL IMPROVEMENT
Over the September holidays there was a large amount of work completed in the school. We now have a colorful line marking showing numbers grids, clock faces, compass, hopscotch, number snakes etc. Also our asphalt area has been resurfaced making colorful clear lines for basketball, newcombe, bat tennis and netball. Our outdoor passive play area now has a gate and fence making the area more like an outdoor classroom.

PLANTING
We have developed a garden bed on the Duke Street side of the school. There are bamboo plants which should grow quickly to create a screen between the school and the bus stop as well as providing shade and greenery.

ENROLMENTS
With the school improvements the school is experiencing a high demand. If you have not already done so please enrol your children for the 2016 school year. Also if you know anyone in the neighbourhood, or someone may be moving into the area please encourage them to drop by the office and pick up an enrolment kit. The school is currently organising all classes throughout the school for 2016.

TRAFFIC MANAGEMENT
School crossings are there to be used. They provide a safe option to cross the road. Please use the crossings and encourage your children to do so.

SCHOOL STAFF CARPARK
Due to safety issues the staff car park on Hertford Road is closed to all traffic from:
8.45am - 9.15am and 3.15pm - 3.45pm daily.

SCHOOL VALUES: Respect is the way we speak to each other and the way we do things together shows that we are important.
