CONCERT
On Tuesday we saw many members of our school community came along and enjoy the various acts at our school concert. There was singing, dancing, our school choir and rock band all putting on a wonderful show whilst the grade 6 students did some fundraising. We finished off the afternoon with a whole school performance led by Mark & Bronwyn. Tom was a great M.C. and again congratulations to all staff for their efforts in making this successful.

PREP/1/2 CAMING PROGRAM
Last night our Grade 2 students slept at school and had an amazing time! Our Grade 1’s enjoyed dinner and a disco, going home at 7.00pm. The Preps stayed at school until 4.30pm taking part in various fun activities.
A big thank-you to all staff that helped make this successful.

WALKATHON
Last Friday we held our Walkathon and our community raised $1340.80. Congratulations to Hannah 02B for raising $110.00 and Finlay in 04B for raising $130.00. Both girls have received a bike & helmet for their wonderful efforts. Well done everyone.

ENROLMENTS
As we are in process of planning our grades/staff for next year it is very important that we have some idea of students. If you know of someone with a child that will be starting at S.H.P.S. next year, please ask them to come up and enroll. Also if you know your child will be moving to a new school, please let the office know.

PORTABLE LEAVING
We have been notified that our Mod 5 portable which we currently use for Auslan lessons and various Community activities is going to be removed before the end of the year. It is a real shame that this will be happening as it is a well used resource, however we have been unable to prevent this from happening.

AFTERSCHOOL CARE PROGRAM 2016
Unfortunately our Afterschool program will not be running in 2016 as we have only a small number of students attending. For parents who do require after or before school care, we have had discussions with New Futures Family Day Care Services who can put you in touch with qualified people that run this service from their homes in our area.
Please call 8398-5000 for more information.

SCHOOL VALUES: Respect is the way we speak to each other and the way we do things together shows that we are important.
Sunshine Harvester is committed to provide a stimulating environment enabling every child to realise their full potential.

Responsibility is the way we are trustworthy and reliable to complete a task and take care of problems.

The school concert was a fantastic success with all of our Prep to 5 students demonstrating their commitment and talent. I would like to thank them for all their hard work. It was great to see so much of our school community at the concert, and I am sure the students appreciated the applause. The grade 6 fundraising team also did a great job. Thank you to our school community for supporting them.
