Dreams Can Come True

*Proudly providing quality education whilst
 maintaining our community heritage*

Vision

We are committed to providing a stimulating environment for every student to realise their full potential. Our aim is to support students to develop the skills and behaviours necessary to become independent and positive members of the community.

Enrol your child at Sunshine Harvester Primary School, we provide an environment with a focus on nurturing children's self-esteem, confidence and preparing them for their futures.

A child starting school at Sunshine Harvester in Prep will be well established in the 'workforce' in the year 2030. The primary years of your child's learning are the most important of their lives, that's why a school like Sunshine Harvester is important for your child's future.

Sunshine Harvester will provide your child with the foundation of the important skills. These include:

- * A life long attitude to learning
- * Effective oral skills and electronic communication skills
- * Thinking creatively and problem solving
- * Fostering the ability to work both independently and in teams
- * Preparedness for changing careers and new ideas
- * An understanding of tolerance and compassion for all members of our local and wider communities....

'The world is a global village'
Marshall McLuhan.

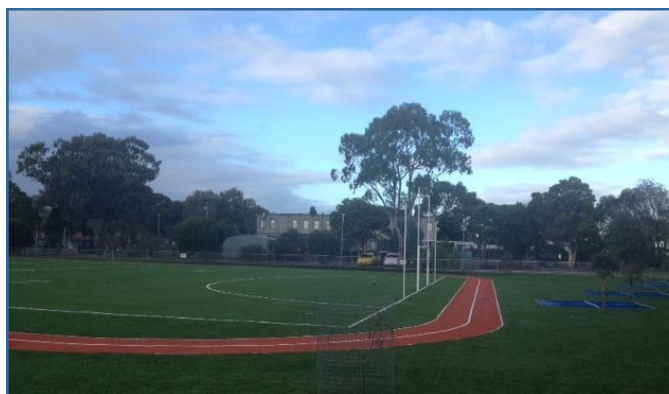

Purpose

Sunshine Harvester Primary School is one of the most modern schools in Sunshine. Our open plan, flexible learning spaces provide every child with wide ranging opportunities in a supportive environment.

Student success is created from our partnerships between parents, teachers and the community.

Our comprehensive student support programs will help students achieve success. Our approach to Numeracy is highly regarded. We are assisting other schools in Victoria and Queensland to develop their programs.

School Values are

Respect, Responsibility & Learning

Welfare & Discipline

Our approach is to build resilience in children through a 'name it' strategy. This is based on the rights of all students and teachers.

"Is it safe for me?" "Is it safe for others?"

"Is it nice for me?" "Is it nice for others?"
