FAMILY FUN DAY
Tomorrow, Friday 27th November will be our Family Fun Day. Please come along to support our school between 3.00pm-6.00pm.
There will be performances by the Braybrook College Band and Sunshine Harvester Band, a soccer clinic, football clinic, tennis clinic, face painting, sausage sizzle, hip hop dancing, second hand clothes sale, coffee van, drinks, ice creams, jumping castle and various stalls.

AUSTRALIAN CHAMBER ORCHESTRA
On Tuesday our Prep and Grade 1 students were treated to a music session with a violinist called Peter from the ACO. They learnt about adding music & sounds to enhance stories.
All students were able to create sounds for a story accompanied by Peter on the violin.

TRANSITION PROGRAM
Many of our 2016 Prep Students have been coming to S.H.P.S on a regular basis so that they are familiar with our school environment and it has also given our staff a chance to get to know them.
There is one session to go on Tuesday 8th December from 9.15 am—10.15am. On this day the children will be over in the Prep Pod while other staff have an information session with parents in the multi purpose room about beginning school. During this time uniforms may be ordered as well.
On the same day our current Grade 6 students will be spending the day at their new Secondary Schools.

SCHOOL COUNCIL
On Monday 7th December at 7.00pm our School Council will be holding their final meeting for 2015.

SUNSHINE CITY LIONS CLUB
Tomorrow John, Jean and their team from Sunshine City Lions Club are providing us with a Sausage Sizzle for all our students. Money raised is being donated to our Grade 6 Graduation. They will also be here to cook up a storm for our Family Fun Day.
The Sunshine City Lions Club have really supported Sunshine Harvester P.S. again this year and when you see them in the grounds please say “Hello”.
By the way, once again they are donating scholarships which will be given out at our Grade 6 Graduation Ceremony to assist our students/families with the cost of starting their Secondary School Education.

Thank you to John, Jean and their team.
We appreciate the time, effort and contributions that you have given our school.

### Grade 3 School Poems

**Back to School**

At school we have subjects that are cool.
We have Art, we have Sport and ICT.
All these subjects give you a grin.
We have books, we have dress up for good looks.
We have friends until the end.
We stay together as one so all our work can be done.
We have friends that are mean and some friends wear jeans.
But once you enter the gates you meet teachers and your mates.
We love school because it’s really cool!

I have a friend named Tsneem and she’s supreme.
My friends are lovely and they are so cuddly.
My friends are the best! None of them are pests.
Friends are the best, they are like opening a treasure chest.
Phyllicy goes silly when she eats chilli.
Rai is ok on Fridays.
Sometimes I say, ‘Olay’ to Rai
My friend’s name is Blessing she eats so much salad dressing.
Finally my name is Molly and I don’t like being called a ‘dolly’ who eats lollies.

We are going to school, to school.
We have art, P.E. and technology too.
It is fun, and only a fool wouldn’t go to school.
Plus teachers are extremely nice,
So they don’t give us much of a fright.

**By Iman**

School is cool, it rocks your mind,
Don’t worry if you make a mistake ‘cause you will be fine.
There’s lots to do, there’s lots to learn.
There are many, many more fun games to play.
There’s a friend over here, there’s a friend over there,
The person next to you that can be your friend,
So go to school because it will rock your mind.

**By Rai**

I love the school library because it is fun,
still there is lots to be done.
There are rhyme books and some time books for you to learn.
There are books about cats and books about maths.
But the best books of all are the books you enjoy,
So sit down comfortably and read with joy
