POLICY

1. School profile

Sunshine Harvester Primary School was established in 2009, a result of merging three small local schools. It is located 15 kilometres west of Melbourne on the border of Sunshine and Braybrook, in the Local Government Area of Brimbank. We have a specialised STEM room and kitchen garden, a playroom, an

animal enclosure, and large, well-tended ground. We have approximately 400 students including a small group of international students, and over 40 staff.

The City of Brimbank is known for its cultural diversity and is ranked third on the index of socio-economic disadvantage in Melbourne. Our students reflect this wide range of circumstances, including families receiving multi-agency support and a variety of refugee and 'English as an Additional Language' family backgrounds. Assisted housing and access to relatively cheap residential accommodation contributes to volatility in the school population. Mobility (student transience between schools) is typically 12% per annum, impacting significantly on the student-learning continuum, as students cycle in and out of the school.

We are proud of our diverse community and the strong connections we are building with our parents and carers. We strive to create a positive culture that gives students the academic and social skills needed to develop their capacity, confidence and citizenship.

All members of our school community have a right to experience a safe and supportive school environment. Our school's Statement of Values highlights the rights and responsibilities of members of our community.

Students have the right to:

6. Student behavioural expectations, acknowledgement, and management

Behavioural expectations of students are grounded in our school's Statement of Values/Student code of conduct and underpinned by our School Wide Positive Support Framework.

Violence, bullying, and other offensive and harmful behaviours such as racism, harassment and discrimination will not be tolerated and will be managed in accordance with this policy. Bullying will be managed in accordance with our Bullying Prevention Policy.

When a student acts in breach of the behaviour standards of our school community, Sunshine Harvester Primary School will institute a staged response, consistent with the Department's policies on behaviour, discipline and student wellbeing and engagement. Where appropriate, parents will be informed about the inappropriate behaviour and the disciplinary action taken by teachers and other school staff.

Our school considers, explores and implements positive and non-punitive interventions to support student behaviour before considering disciplinary measures such as detention, withdrawal of privileges or withdrawal from class.

Disciplinary measures may be used as part of a staged response to inappropriate behaviour in combination with other engagement and support strategies to ensure that factors that may have contributed to the student's behaviour are identified and addressed. Disciplinary measures at our school will be applied fairly and consistently. Students will always be provided with an opportunity to be heard.

Disciplinary measures that may be applied include:

- warning a student that their behaviour is inappropriate
- teacher controlled consequences such as moving a student in a classroom or other reasonable and proportionate responses to misbehaviour
- withdrawal of privileges
