

Dear Parent,

At Sunshine Harvester Primary School, we use a confidential Parent Portal to provide you with information about your child’s progress at our school.

Staying in touch with your child's learning journey is easy with the Sentral Parent Portal.

Receive secure news items targeted for your child's school involvement on your mobile, tablet or computer.

In order to be set up with the Parent Portal, please provide us with your most updated email address. Upon your child’s commencement at Sunshine Harvester, you will receive an email outlining the steps to setup access to the Portal.

Student name:.....

Year level:.....

Parent Email Address:.....

Kind Regards,

Ms Polly Hansen
Principal
