Dear Parents & Guardians,

Swimming Program

The swimming program has been a huge success with students enjoying the experience. Learning to swim is a very important skill. During these sessions your children will learn how to be safe around water. **PLEASE RE-MEMBER ALL CHILDREN MUST BE SUPER-VISED AROUND WATER. AT ALL TIMES.**

School Crossing

For your own safety and for the safety of your children please make sure you use the crossings. These crossings are supervised by official crossing supervisors between 8:20 - 9:00am and 3:15 - 4:00pm

Enrol Now

On the 28th of February our total number of children enrolled at our school will be wanted by the Education Department and the school will receive funding according to this number. It is important for all students to be enrolled and attending school by this date. If you know anyone who has not enrolled yet, please encourage them to enrol as soon as possible

School Improvement

The school has replaced all broken hand wash dispensers in the toilets and have installed new ones in the art room. This will help encourage our young people to practise good hygiene

School Payments

As parents continue to use our electronic payment systems options, it is becoming difficult for our office staff to give change. If it is necessary for you to pay by cash please provide the correct amount of money. Thank you for your assistance during the change over.

THANK YOU TO EVERYONE WHO HAS ALREADY PAID THE \$50 ESSENTIAL ITEMS LEVY.
