Pollyanna Hansen  
Sunshine Harvester Primary School  
132 Hertford Rd  
Sunshine VIC 3020

Dear Pollyanna Hansen,

I am pleased to advise that Sunshine Harvester Primary School's application for Level 1 International Student Program (ISP) re-accreditation has been approved for four years until 2025.

Your school's current enrolment cap is **9** full fee-paying international students (subclass 500 student – schools visa holders). As a Level 1 school, you cannot undertake offshore marketing activities or accept welfare responsibility for international students.

Please find enclosed an Accreditation Certificate for you to retain as evidence of your school's accreditation.

As an ISP accredited school, you and your International Student Coordinator (if your school has one) are required to complete any mandatory compliance training run by International Education Division. Further guidance for schools around the compliance requirements of the ISP can be found in the ISP School Toolkit which is available on the Policy and Advisory Library (PAL) at: <https://www2.education.vic.gov.au/pal/international-student-program/guidance>

Enrolling international students in your school provides a great opportunity for all students, both local and international, to acquire a global perspective and enhance their cross-cultural awareness. The ISP is one element in the internationalisation of teaching and learning in our schools.

I would like to congratulate you on your re-accreditation, and we look forward to working with you in partnership to deliver high quality services to international students in Victorian government schools.

Yours sincerely,

**Kurt Mullane**  
**Director, Internationalisation**  
**International Education Division**
