TERM 2 No 3

30th May 2019

### 2019 NEWSLETTER.

### TRAFFIC & ROAD SAFETY

Dear Parents/ Guardians

#### ATTITUDES TO SCHOOL SURVEY

The Attitudes to School Survey gathers data to support student wellbeing, engagement, school improvement and planning in schools. The survey is open online for all students in **Years 4 to 12** from the **29<sup>th</sup> of April** to the **7<sup>th</sup> of June** and will be administered during school hours.

Please helps us to reduce congestion on Hertford Road before and after school by

- Walking or riding to school
- Reminding your children to use the designated crossings at all times.
- Parking in neighbouring streets including **Alice, Ernest and Lily Street.**
- Modelling road safety by using indicators and obeying the 40km speed limits.
- Saving time by staying in the car with your engine running.
- Practising patience and respect of other road users and remaining calm.

#### THE ONLY WAY TO LEARN MATHEMATICS

Michael Ymer facilitated a highly engaging numeracy workshop on Monday May 20. He debunked some common misconceptions, provided staff with practical environmental tips that are conducive to learning mathematics and demonstrated how choosing the right task can engage all students, regardless of their entry level to a concept.

#### CAMPING PROGRAM

There are a small number of vacancies for the Year 3/4 camp, however the 5/6 camp has reached capacity. Families are still welcome to return signed consent forms and a deposit if you would like your child to be placed on the waiting list.

**SCHOOL VALUES:** Respect is the way we speak to each other and the way we do things together to show that we are important.

Sunshine Harvester is committed to provide a stimulating environment enabling every child to realise their full potential.

The Sensory Garden

Last year our SENSORY GARDEN was finally built at the back of the Think Tank. You will have seen the big wall on Duke St with a mural of Sunshine painted on it. The wall was built to help make the sensory garden a peaceful and relaxing place, by cutting out a lot of the traffic noise.

We have been waiting for the plants in the sensory garden to grow more before allowing access to the garden, and we also have more to do to set it up. We are looking forward to opening it officially and using it as an enjoyable and calming space for our students.

In the meantime, a big thank you to the following grade 6 students: Dekoda, Seth, Asaad, Bryan, George, Dylan, Lai Hni Tha and Lucian who have been coming in all week to weed and clean!

Congratulations to James from Grade 1,

who has spent 30 High Five Cards on lunch with Mr. Griffin, Sue, Grace and a friend.

Congratulations James on the way you have really shown Respect Responsibility Learning
