Dear Parents / Guardians, 2019 Enrolments

Due to the popularity of the school it is very important that you enrol your children for the 2019 year at Sunshine Harvester P.S as soon as possible. We have to accept all students from our zone first, then family groupings and then out of our zone.

Sensory Garden

Our new Sensory Garden is progressing well, we are now waiting for the fencing to be complete and the plants to establish. This will be a great area for students to relax when they need to. It is monitored by our camera network meaning it is a safe and

Duke Street Wall

Resident artist Damien Arena has started work on our large wall created by the Sensory Garden. Damien's brief was to capture the multicultural feel of the school and the history of Sunshine.

Back Sport Area

Currently we are developing the back part of the school replacing the loose surface with cement and drainage. This should reduce incidences of stones finding their way to other parts of the school.

Riding Bikes

Now the weather is getting better, more children are riding their bikes to school. Please ensure your children wear an approved helmet. It is not only the law, but it will protect them if they are involved in a collision.

Naplan

The school has received the 2018 NAPLAN results. There are pleasing trends which our whole community should be proud of. A strong partnership between home and school provides the best recipe for student success.

School Uniform

It is important our students wear their uniform. It shows pride in the school and it prepares them for secondary college. It is also important that you label all items of your child's clothing so we can return lost items to

SCHOOL VALUES: Respect is the way we speak to each other and the way we do things together to show that we are important.

Well Done Grade 5 & 6 your attendance has been outstanding!

Recount of Book Week Day By Wendy 03C

It was a shimmering morning and a fabulous day. Everyone looked absolutely exquisite! I was dressed up as a gorgeous character, Sleeping Beauty. Even though I was the opposite of tired.

When the music started and we were supposed to line up I was overjoyed. We went inside and sat down compliments were shooting out of people's mouths. Everyone was dressed to impress, well not everyone, some people just wore outfits without a care in the world.

When the teachers were doing their roles, then suddenly BANG! It felt like the walking dead when Deondre walked in. The teachers dressed like they freshly came from the movies. Our teacher Jasper was chewing gum, what a rule to break! Even the doorway was dressed up! There were red lollies that were on them. When I would walk through I would steal some. The Book Parade was about to finally start. It felt like I was waiting for eternity!

We got organised by colours and numbers, I was confused! It was only the morning but I was overwhelmed. When the rotations were done we had a Teddy Bears Picnic.

IMPORTANT REMINDER

If you have a child or children attending camp in Term 4, you must have it paid in full by **Thursday 20th September**.

We are sorry to advise you if it is not paid in full your child cannot attend camp.
